

# CLIENT HANDLING WORKSHOPS FALL 2009

## Two Workshops:

### Half Day – Client Handling Program Enhancement

This workshop, focusing on enhancing your current program, will be an interactive session that will engage participants in discussion about their program challenges. This will be an opportunity for organizations to get hands-on experience using the new tools and resources of the recently revised Handle with Care (3rd edn.). Content of the workshop will include:

- How to track and analyze client handling injury rates
- How to thoroughly investigate client handling injuries to ensure appropriate controls are effective
- Understand the components of a client mobility assessment is reviewed though
- Tips for promoting program compliance
- Dealing with aggressive clients during the client handling tasks
- Equipment pre-use inspections – safety considerations for clients and staff
- Review of equipment and devices solutions
- Updated client handling logos

*Who should attend: Steering Committee members currently overseeing the development and implementation of a minimal lift program and a comprehensive lift/transfer education program.*

### Full Day – Hands-on Client Handling Techniques - CBI Train The Trainer

This session will provide organizations with the opportunity of training program champions in safe and appropriate client handling techniques and body mechanics. Participants will be given the opportunity for hands-on practice of the client handling techniques. This session will be conducted by CBI Health (Canadian Back Institute). The workshop will include:

- Assessing mobility status
- Client transfer techniques
- Client repositioning techniques
- Selection and positioning of slings
- Correct body mechanics and postures

*Who should attend: The core group of staff (managers/supervisors and front line staff) who will be able to provide ongoing, continuity of training within their own organization. This training will complement the vendor's equipment-specific training that needs to be arranged by the organization.*

**Seating is limited! You must pre-register and receive confirmation!  
For workshop schedule and pricing, please see reverse page.**
