

WORKPLACE VIOLENCE PREVENTION SESSIONS

Workplace Violence Prevention and Amendments to the OHSA

On June 15, 2010, the Occupational Health and Safety Act will include explicit employer responsibilities to prevent workplace violence, including harassment and domestic violence in the workplace. To assist clients in preparing for the upcoming changes, HSAGS will be offering education sessions across the province.

This workshop will:

- Provide an overview of Bill 168, as well as outline the elements of an effective workplace violence prevention program in
- Provide sample tools and program elements
- Assist organizations in understanding how to address horizontal violence (bullying) and domestic violence in the workplace

Who should attend? Steering Committee members currently overseeing the development and implementation of a workplace violence prevention program
